### III. Patrial tenders

It is not allowed

### IV. The possibility of subcontracting

The ordering party allows for the possibility of subcontracting a part or the whole of the order.

#### **I. Offer preparation**

The offer should:

- have the date of preparation and expiry date,
- include the address or head office of the tenderer,
- include tax identification number of the tenderer,
- specify the net value of the order,
- include signature and a stamp of the tenderer

The offer should be made to the **Attachment No. 1**.

#### **II. Offer evaluation criteria**

The Ordering party will choose the offer on the basis of comparing the prices (net value) in the 0-1 mode, where the offer with the lowest price will receive 1 point, while the worse offers will receive 0 points. The price criteria is 100% of the tender. In the case of two or more offers having the same price, the determining factor shall be the date of the offer submission. The offer submitted first will receive 1 point.

#### **III. Cancelling the offer**

The tenderer, before the date of choosing the supplier, may change or cancel the offer.

#### **IV. Place and date of submitting offers**

1. The offer may be submitted through:
  - post, courier services or in person:  
Turbo-Tec Sp. z o. o., ul. Elizy Orzeszkowej 2H, 43-600 Jaworzno
  - electronic mail to the e-mail address: kkoziel@turbo-tec.eu
2. The choice of the tenderer will take place on **03.02.2017**
3. The offers should be submitted until the day of **02.02.2017**
4. The offers submitted after this date will not be considered.

#### **V. Announcement of inquiry results.**

The Announcement of inquiry results will be held on Customer's web site or will be sent to each contractor which presented the offer.
