**CPV Code : 79956000-0 Services within exhibition and fair organisation**

#### **IV. OFFER PREPARATION**

The offer should:

- contain the date of issuance and validity,
- contain the address of the tenderer seat or address for correspondence,
- contain tenderer NIP,
- contain the time of order implementation and time of payment,
- determine the net and gross order price,
- contain the tenderer signature and stamp

The offer should be made in **Enclosure No. 1. Enclosure No. 2** - Statement on no relations between the cooperating entities should be attached to the offer, too.

#### **V. PARTIAL OFFERS**

The Orderer does not accept partial offers.

#### **VI. PLACE AND TIME OF OFFER PLACEMENT:**

- The offer can be delivered by:
  - post, courier or personally to the following address: ul. E. Orzeszkowej 2H, 43-600 Jaworzno
  - e-mail to the following e-address: kzajac@turbo-tec.eu
- Choice of the tenderer will take place on: 09.06.2017 at 12.00
- Offers should be placed till: 08.06.2017 10.00 a.m.
- Offers placed after the a/m date will not be considered.

#### **VII. OFFER EVALUATION CRITERION AND WAY OF EVALUATION**

The Orderer will choose the offer comparing the criterions:

- price (net in the case of Polish suppliers/gross in the case of foreign suppliers), evaluation consists in calculation of quotient of the lowest price to the offered price,

where the lowest price offer will get 1 point, then evaluation is multiplied by 85 % weight.

- time of payment, evaluation consists in calculation of quotient of the offered time (in the case when the Tenderer foresees partial payments, the Orderer will consider the time of payment of the last instalment, so settling the whole order) of payment to the longest time, where the offer with the longest time will get 1 point, and then evaluation is multiplied by 15 % weight.

The Orderer will choose a contractor on the basis of the placed offers.

By sending an e-message the Orderer will inform the tenderers which placed the offers about choice of the most profitable offer within 7 calendar days from the date of making a choice confirmed by a protocol of choice.

#### **VIII. CONTACT WITH ORDERER**

The person authorized from the Orderer side to get in touch with Contractors in formal and substantive matters is:

- Mr. Karol Zajac, Tel. +48 790 203 391, mail: kzajac@turbo-tec.eu

The following ways to contact the Project coordinator are admissible: conventional post, e-post, telephone.

#### **IX. SCOPE OF EXCLUSION**

To avoid conflict of interests orders cannot be awarded to entities bound in person or capital with the Orderer. By capital or personal ties one understands mutual relations between the subject about which says p. 1 and the contractor, consisting in:

- participation in a company as a partnership or civil company associate,
- possessing at least 5 % of shares or stocks,
- acting as a supervisory or managing organ member, proxy or plenipotentiary,
- being in a such legal or real relationship, which can cause justified doubts as for impartiality in choice of a contractor, especially being in matrimony, lineal blood relationship or kinship, second-degree blood relationship or kinship in sideline or in adoption, under care or wardship.

#### **X. FINAL REMARKS**

The Orderer reserves the right to withdraw or invalidate the inquiry without giving any reason.
